## INSTALLATION PROCEDURE

1

Make sure that the LAMP logo is at the top.

2

Do not leave any gap between the flap lid body and the mounting surface.

3

- [1] Having opened the lid, insert the screws through the provided access screw holes (two on each side) and fasten the flap lid body securely.
- [2] Make sure that the final assembly is securely fastened.

4

Slowly open and close the lid completely a few times in order to ensure correct operation.

5

Cover the access holes with the cover caps provided.

6

Paste the warning sticker in a visible position to avoid any injury when operating the lid.
